I'm King Kong, I'm James Bond, I dyed the dance floor red
Didn't even pull out my gun, you got spooked like doves flying into the sky
When Wolverine shows his claws, it means you about to get fucked up
One swipe of his claws to open a 14 cm thick iron gate, this scene got you s
cared shitless in front of your TV
Young and dangerous, fuck off and don't ask me where I'm from
At CDC's Poly Center, ladies call me Andy Lau
Money coming out of my pockets, my homies stick together
Vodka, Martini, caviar on my tongue
No tears when I see the coffin, why not? Let your homeboys go together
Not afraid of natural disasters, I can live through it 'cause I'm fatter tha
n you
Phone's on airplane mode, going to Finland to find the Northern Lights
Pass through the Jurassic Period, landed in a tribe, rapping anytime and any

Don't be mad, life just gave you less, if you wanna blame then blame yoursel
f
No handle on your bad habits, we can't help but rhyme when we speak
Throwing my white tee into the laundry, guarantee that I look fresh on stage
every time
You're possessed by a demon and the roof's on fire
Watching Final Destination, 1234, nobody can stay nor run away
Crowd like a wave, the whole world loves China
Mad like a zoo, lions and tigers sleep next to me
Sorry if our jokes are too harsh, breaking the boundaries to Mars
Climbing mountain tops, the snow melted, I'll go down in history
I heard you did 16 military drills, got stabbed 32 times, ay that sucks, but
who can you blame?
Before you provoke me, know that I already have a target on you
People say I'm in good shape, I'll give you a chance to swap identities with
me
Even if I reset I could do it again, so why you hesitating? Just do it, why
not?
