When I try to forget the past times,
I can't forget it (I can't forget it)
Your voice that used to always call my name
Roams in my ears (Roams in my ears).

Unknowingly my footsteps
Are headed towards you
Now what do I do? What do I do now?.

Don't you tell me why
Don't let me down
Comeback, I keep thinking of you
Please just one time (One more time again)
I'm going out of my mind
I can't see you

Tell me I can go go go
Back to you you you you
I can't live on with you true true true
I need you, to you back to you

Come back to you (uh uh oh uh uh oh)
Because of you (uh uh oh uh uh oh)
I remember you (uh uh oh uh uh oh)
I need you, to you back to you

When I try to empty my heart towards you,
It doesn't erase
I only need you, only you I need

Don't you tell me why
Don't let me down
The memories with you keep coming up
I can't forget (I can't erase)
I wonder if you think of me sometimes
You bad person

Tell me I can go go go
Back to you you you you
I can't live on with you true true true
I need you, to you back to you

Come back to you (uh uh oh uh uh oh)

Because of you (uh uh oh uh uh oh)
I remember you (uh uh oh uh uh oh)
I need you, to you back to you

I probably can't even measure up to the wind that blows by ah ah
Even if you left me coldly, I don't hate you
I keep drawing you back fervently
What is the use if I'm going to be hurting again
I say no more

Tell me I can go go go
Back to you you you you
I can't live on with you true true true
I need you, to you back to you

Come back to you (uh uh oh uh uh oh)
Because of you (uh uh oh uh uh oh)
I remember you (uh uh oh uh uh oh)
I need you, to you back to you

It's so hard looking at you ,
Who I used to be with be everyday,
Just in my dreams
At least if it was a nightmare,
I would wake up and everything
Would be the way it was
