You Baby

Just take a slight break ma baby
Stop right where you are, stop it
Your eyes, your breath
I'm lost, looking for you yeah

I softly hear your voice
Your small and pretty lips
Make me tremble, I'm curious
I keep looking at you, yeah

Am I right?
Can't I know you more?
You keep driving me crazy
I can't take it anymore
Am I allowed to do this?

Have I fallen for you?
I can't handle it

Baby You U U Baby
I wanna see all of you
Baby You U U Baby
I wanna be closer

Right now, just as we are
You and I, tonight
Baby You U U Baby
I can't let you go

You're so dangerous to me
You're so dangerous to me
You Baby

If you want, I can give it all to you
Because you're the girl of my dreams
Don't go girl, I wanna know you
Because you have everything I want

Am I right?
Can't I know you more?
You keep driving me crazy
I can't take it anymore
Am I allowed to do this?
Have I fallen for you?
I can't handle it

Baby You U U Baby
I wanna see all of you
Baby You U U Baby
I wanna be closer

Right now, just as we are
You and I, tonight
Baby You U U Baby
I can't let you go

Baby It's Late Night
Where are you going?
It's dangerous outside
Even if the sun comes up
I don't wanna let you go
We know all there is to know, we're all grown-ups here
We're adults now and we need to prove that
I'm rejecting rejection
Even your flustered eyes
Burn me up
My heart is like
That burning candle
The fire that has lit
Won't go off for a while

Baby You U U Baby
I wanna see all of you
Baby You U U Baby
I wanna be closer

Right now, just as we are
You and I, tonight
Baby You U U Baby

I can't let you go

You're so dangerous to me
You're so dangerous to me
You Baby
