I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl

Girl I still regret a lot
I wanna, I wanna turn back times

Baby girl Even if I try to erase your presence
And even your name I can't forget you
I, who pushed your clinging body away
I, who regretted after sending you away
I miss you like this (Miss you miss you)

Hey stop, the last moment between us
Is cornering me to the edge of this cliff

When the time passes and passes
When the pain becomes a memory
If you can return to me with that
Kind of heart that loved me again

I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl

Locked inside a silent room My mind a blank,
I go crazy from the thoughts of you
No matter how much I call and call again, you aren't here
Just me who is crumbling without you Is left here

Why didn't I get a hold of you back then
Looking at myself regretting after sending you away
Like this I miss you
(I miss you I need you I'm sorry no way)
Come to me

When the time passes and passes
When the pain becomes a memory
If you can return to me with that
Kind of heart that loved me again

I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl

Smiling as if there is nothing wrong
Please come back to me
Stay by me, I can't forget you even if I die
Wait for me at that place, on that spot
I won't send you away
Because I can't live a day Without you

From the sadness of sending you away
I empty the full glass
Already drunk
I crave you all over again
I don't do anything after losing you
My world is on pause
And right in the middle of it all, you are there ma babe

I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl
I'm sorry girl I'm sorry girl
