Deureobolge

It was a long wait, thanks for waiting for me  
So many things happened to me and the only thing that hid me was music  
Some people hate me or some people love me  
But it's just music, listen without bias

What I feel, what I felt, what I want, what I hope for  
What I saw, what I knew, I hope all of this gets delivered to you  
Those who are scarred, exhausted, collapsed, fallen down  
And have lost their laughter, I hope this will comfort you, like me

Thanks, waiting for me and ma boys BEAST  
I do it for all ma fans and ma people  
Big shout out to TJ we are a supreme team  
I love y'all peace  
Let me listen
