As if this street knows  
That I'm without you  
It embraces me  
I was afraid things would feel too unfamiliar  
But now it's alright  
Don't worry about me

The breakup you left behind is bitter  
But the love was so precious  
Because even this pain is from you  
I'm able to smile

Even seeing you leave  
Is a memory to me  
Scars that had to form  
Will some day heal

In all the places  
You are gone  
But even this empty spot  
Because it was you  
It's beautiful as it is

I try smiling brightly  
But they say I seem sad somehow  
I guess I can't help it  
I tried to hide it but  
It seeps out  
Because inside of me, you're not small

The breakup you left behind is bitter  
But the love was so precious  
Because even this pain is from you  
I'm able to smile

Even seeing you leave  
Is a memory to me  
Scars that had to form  
Will some day heal

In all the places  
You are gone  
But even this empty spot  
Because it was you  
It's beautiful as it is

I have no right to be in pain  
Because when I look back  
I didn't treat you as well

As how precious you are  
As how much I loved you

Since the beginning  
Your heart was too beautiful for me to have  
Times I spent with you  
All of it was beautiful

You came to me in my dreams  
Although I knew it was a dream  
Hot tears streamed down my cheeks  
You're still so beautiful

You came to me in my dreams  
Although I knew it was a dream  
Hot tears streamed down my cheeks  
You're still so beautiful
