Just the thought of you makes me hesitate again
Even when I try to shout out, there's no answer.

The times we were happy, the times we spent together
It seems we can't put them back, it seems time just flows away

My eyes which only saw you
Your bright smile,
The image of you calling to me

I think of them again and I'm crying again
Then I hesitate to search for you again

BABY BABY PLEASE (please)
Come back to me (come back to me)
BABY BABY WHY (why)
You are becoming further away from me (you are so far)
(Please) Tell me that you (Please) love me
(Why) When I try to get a hold of you there's no answer
BABY BABY PLEASE (please) Turn around once more,
Just once more
And smile as you look at me

Now you're further away from me
(There are so many said
Promises yet to be kept)
Every night I am crying
(It's tearing me apart and
Only leaving me wounds OH GOD)
