Let it snow (let it snow)
Let it snow (let it snow)
Let it snow (let it snow)

Let it snow, Let it snow
Come to me, come back to me
Let it snow, Let it snow
I go back to sleep again, I wait for you in my dreams

Can't the happy times between us come back again?
(Can't you come back, can't you give yourself to me?)
I don't know why I'm doing this
You're ma sweetie, girl, ma lady
Hug my coldness my love

I want your lips, your kiss
I want your love (Your love)
I want your honesty (Your honesty)
Tonight, I want you again
All of my all wants all of you
(Baby love you girl, baby love you girl)

Let it snow, Let it snow
I come to you, I hold your hands again
Let it snow, Let it snow
I start to shake again, I go back to those times

Precious times between us, can you return those times back?
(Can't you come back to me again, can't I have you?)
I don't know why I'm doing this

You're ma sweetie, girl, ma lady
Come back to me again my baby

I want your lips, your kiss
I want your love (Your love)
I want your honesty (Your honesty)
Tonight, I want you again
All of my all wants all of you
(Baby love you girl, baby love you girl)

At this place where the snow falls
I wait for you to come, because I think
That you're going to come back to me with a smile
Even if you say that you won't return, I'll be here
Baby love you girl, baby love you girl
Baby love you girl
