Yeah~ oh~  
Girl, please say  
No no no no no

Today, a friend of mine asked me  
If he could go out with you  
He told me he could cherish you better than I can,  
Considering now that we are through

That that that that that's OK,  
Get get get get away  
"It's okay I guess since  
There's not much left from our relationship  
Stop apologizing, I'm not that hurt anyways  
Just please be a better boyfriend to her"

I couldn't tell him that  
I still have sleepless nights because of you  
Although I'd cheered my friend on  
And sent him off with a forced smile, oh girl

Oh can't you see I'm still lovin' you?  
My heart's not yet ready to let you go

Say no, no, no, no, no,  
Say no, no, no, no, no  
Say you can't because your heart  
Is still waiting for me, say no

"She can't drink much, hates the fume of cigarettes  
She hates being alone, so be with her always  
And make sure you always always remember her birthday"  
Not even sure why I had told him all this

Knowing in hindsight I would be regretting this  
But I still forced myself to pretend to be cool  
Knowing behind my friend's back  
I would be upset and be begging him to stop, oh girl

Oh can't you see I'm still lovin' you?  
My heart's not yet ready to let you go

Say no, no, no, no, no,  
Say no, no, no, no, no  
Say you can't because your heart  
Is still waiting for me

(Say) no, oh oh (Say) Say you can't  
(Say) Because you're waiting for me to come back

(Say) no, oh oh (Say) Say you can't

(Say) Because you're waiting for me to come back

I couldn't tell him that  
I still have sleepless nights because of you  
Although I'd cheered my friend on  
And sent him off with a forced smile, oh girl

(Oh can't you see I'm still lovin' you?  
My heart's not yet ready to let you go

Say no, no, no, no, no,  
Say no, no, no, no, no  
Say you can't because your heart  
Is still waiting for me, say no
