Because I'm a shadow shadow shadow
Because I'm a shadow shadow shadow

Shadow, shadow,
Because I'm a shadow, shadow, shadow

Ha, rainy, cloudy, no light,
Darkness, day and night
Ever since you left,
Maybe my existence itself disappeared
Back in the day, there were sunny days,
There were flashing lights
I was always by your side,
I was there
Cause I'm shadow, shadow, shadow

Give me the light light light
You are ma ma ma sunrise,

Without you, I'm nothing
You're my last, you're my last,
Until always, you're my last
Even if you're a path of fire, I'll jump into you

Hurry and erase the goodbyes
That have smeared black onto the sky
I want to stay by your side
So I can't get any closer,
So I can't even look at you
Because I'm a shadow, shadow, shadow

I really want to go back
To the dazzling times
The beautiful days when we were always together
Like a shadow, when your smile shined on me
Because I'm a shadow, shadow, shadow

Early in the morning,
Again today, the sun is hiding
The light has disappeared, it took you
And went far away
Cause I'm shadow shadow shadow

Give me the light light light
You are ma ma ma sunrise,
Without you, I'm nothing
You're my last, you're my last,
Until always, you're my last
Even if you're a path of fire, I'll jump into you

Hurry and erase the goodbyes
That have smeared black onto the sky
I want to stay by your side
So I can't get any closer,
So I can't even look at you
Because I'm a shadow, shadow, shadow

I really want to go back
To the dazzling times
The beautiful days when we were always together
Like a shadow, when your smile shined on me
Because I'm a shadow, shadow, shadow

Erase, erase, forget it, erase it,
I don't like this anymore, I hate it
Fall, fall, fallin' down, faded, faded, faded
I'm not a vampire, not a night ghost
I cry in the darkness as I call out your name
I wait for you to be together again
Cause a shadow shadow shadow

Oh, forgetting you
Is like erasing myself

Hurry and erase the goodbyes
That have smeared black onto the sky
I want to stay by your side
So I can't get any closer,
So I can't even look at you
Because I'm a shadow, shadow, shadow

I really want to go back

To the dazzling times
The beautiful days when we were always together
Like a shadow, when your smile shined on me
Because I'm a shadow, shadow, shadow
Because I'm a shadow, shadow, shadow
