Get Shock

Every day I just can't control  
Every night the loneliness is my love  
(So Beast)

(In the cube)  
Can't breathe, like freeze,  
My body's getting stiff (Why, why)  
Hey dear, stay here, I'm going blind (Why, why)

No way losing my way, why are you drifting away?  
I don't want to get hurt, but what will we do  
With my love struck heart?

I don't hear anything  
I don't see anything  
Oh, ever since you've left  
I couldn't focus on anything else

(Cuz I'll be there)  
Everything stopped, now it's over  
And my existence is fading away  
(Cuz I'll be there)  
Even if I close my eyes,  
You're still fading away from my memories

Every day I shock (shock)  
Every night I shock (shock)  
I'm sorry, please come back to my side  
Every day I shock (shock)  
Every night I shock (shock)  
Because of you, I can't focus on anything else, oh  
Come to me, oh oh oh tonight's (so so crazy)  
Come back, back back to me  
(I'm waiting (for) you you)  
Oh oh oh tonight's (so so crazy)  
I don't think I can ever wake up from ma shock

Hey ya, wake up, once I wake up,  
You're not by my side  
Oh lalalalalala, now you're laughing like a lunatic  
I'm struggling everyday against the clashing waves of loneliness  
I can't (forget you) for the rest of my life

If I knew it would be like this, I would have held you back  
Then it wouldn't have been so hard  
Oh, even if I try to embrace you once more  
I can't because I can't even move a single finger

(Cuz I'll be there)  
It's hard to breath, my heart hurts  
The more I think about you  
(Cuz I'll be there)  
The longer I idle while sitting down,  
I can't get anything done

Every day I shock (shock)  
Every night I shock (shock)  
I'm sorry, please come back to my side  
Every day I shock (shock)  
Every night I shock (shock)  
Because of you, I can't focus on anything else, oh  
Come to me, oh oh oh tonight's (so so crazy)  
Come back, back back to me  
(I'm waiting (for) you you)  
Oh oh oh tonight's (so so crazy)  
I don't think I can ever wake up from ma shock

Every night in my dream (in my dream), I can't (can't)  
Hear your voice (voice), where are you?

If you're happy to be away from my side,  
Then I will try to hold in my tears for you

Every day I shock (shock)  
Every night I shock (shock)  
I'm sorry, please come back to my side  
Every day I shock (shock)  
Every night I shock (shock)  
Because of you, I can't focus on anything else, oh  
Come to me, oh oh oh tonight's (so so crazy)  
Come back, back back to me  
(I'm waiting (for) you you)  
Oh oh oh tonight's (so so crazy)  
I don't think I can ever wake up from ma shock
