All of the memories that come up
Are so sweet like a dream
So let me just think that I woke up
And it never even happened in the first place

I'll miss you a lot
Even now as I'm saying this
It's really not easy
To endure, to hold it in

Why are we breaking up?
Will things be alright?
I still love you
Do you have to go?

Instead of these painful words
That are about to explode
I'll just smile
So your heart can be at rest

Take care, take care, take care
Be better than when you were next to me

Take care, take care
I'll remember the leftover memories

Back when I was immature
What side of me did you see?
You gave me your heart that I didn't deserve

You filled me up
I said things I didn't mean
And gave you thorns
But you still held me in your arms
Warmly putting me to sleep
I was drunk with you but I didn't even know
The speed of taking you for granted
Took me all the way to the end station
Now I'm asking why you've never smiled
Now I'm trying to catch the things I couldn't catch

Why are we breaking up?
Will things be alright?
I still love you
Do you have to go?

Instead of these painful words
That are about to explode
I'll just smile
So your heart can be at rest

After time passes
If you come back to me
Don't try to look for me
Just turn around

If it's not you
I don't think I can ever love again
Forever like this
I'll preciously cherish you

Why are we breaking up?
Will things be alright?
I still love you
Do you have to go?

Instead of these painful words
That are about to explode
I'll just smile
So your heart can be at rest

Take care when I'm not there
