The one thing that I want to tell you the most
Always, we always singing just for you
Thank you, the one who's always been
Protecting us by our side
You, You,
Thank you, For you.

Just thank you everybody,
Thanks to ma fans
What can I say, I don't know if I'll be
Able to express my feelings but
I'll write one word at a time, and keep on writing,
And try to fit it into this short track
To try to communicate myself to you
The love and care that we have received from you,
To the point that it's even flooding us as of now
I won't be able to return all 100% of it but
Still, I hope that you will be able to feel a part of it

Yeah, the ones who let the unworthy,
Six fools stand on stage
The ones who placed the utmost
Precious microphone into our hands,
Was you, and so Today, I'm still rocking' this stage,
I'm flying like a g6
It feels just like I'm flying in the sky
Like I've fallen into a happy dream, like a child,
Flying through the air
With our hands clasped you and me together

The one thing that I want to tell you the most
Always, we always singing just for you
Thank you, the one who's always been
Protecting us by our side
You, You,
Thank you, For you.

Even if I find myself exhausted,
As long as I'm with you
It's alright, it's alright
Even if we're being separated far away,
If we can feel each other
It's all good it's all good
Even if I find myself exhausted,
As long as I'm with you
So fly so fly
If your heart in front of me right now is true
Thank you, thank you

Like a paper and pen and beat and mic
Even if we're being separated far away,
We will feel each other in our hearts
Your so unconditional love
During this one year which has been so long and short,
It seems like we've become pretty close
(Sometimes, you're like a blanket that envelopes me)
You're like home, you're like a friend,
Sometimes you're like family
(Please stay forever by my side)

Together, together (Just two of us)
Let's create a hidden road Like (Columbus)
If I'm with you, is there anything I can't do?
Even if I fall 100 times, I'll be able to get up again
Always I sing the song for ya
Whenever, if you want it
I'll sing for you like a bird
(I always thank you everybody, let's go)

The one thing that I want to tell you the most

Always, we always singing just for you
Thank you, the one who's always been
Protecting us by our side
