Oh god ㅋㅋㅋㅋㅋ
ㅋㅋㅋㅋㅋ
ㅋㅋㅋㅋㅋ
ㅋㅋ Style ㅋㅋㅋㅋ
ㅋㅋ ㅋ ㅋ Black ㅋㅋ
ㅋㅋㅋ ㅋ ㅋ ㅋ ㅋ
ㅋ ㅋㅋ ㅋㅋㅋ ㅋ Friday

At 7 AM, as soon as I opened my eyes, I got up
I met up with a friend and talked for a bit
Afterwards,
I went to eat at a place I go often and left
Not with a girl but with Doojoon, just us two

I don't know where you heard this from
I don't know why you're getting angry oh I really don't know
I never went to the club at Hongdae
So you were mistaken last night

It's not me, it's really not, that kid was not me
How many times do I have to tell you, it's not me
It's not me, it's really not, that kid was not me
I swear to you, I have no other girl,
I have no other girl but you

It must have been a different guy,
Don't look at me like that
My cold sweat is not because I feel guilty
You know that I hate going to crowded places
If it was really me, I wouldn't be this upset
It's a bit hot here, I'm sweating again
I drank too much water,
I'm going to the bathroom
Oh baby, how can you say that?
Uh... it's nothing

Don't get mad and listen to me
You know I'm not good at lying
I left my phone at home
So please don't be mad -
What do you want to have?

It's not me, it's really not, that kid was not me
How many times do I have to tell you, it's not me
It's not me, it's really not, that kid was not me
I swear to you, I have no other girl,
I have no other girl but you

It's not me me me
I'm not Trust me baby
It's not me me me
I'm not Trust me baby
It's not me me me
I'm not Trust me baby
It's not me me me
It's not, it's not

It's not me, it's really not, that kid was not me
How many times do I have to tell you, it's not me
It's not me, it's really not, that kid was not me
I swear to you, I have no other girl,
I have no other girl but you

I said "what if, what if" and my words became reality
Oh god, the gods have turned against me already
If I fall backwards, my nose will get hurt^
I have been having bad dreams lately
I need to change my clothes style now
Black is good since it won't catch eyes
It'd be better to take a rest this weekend
Friday will be hot even without me
