Hotter than summer time

The burning of unwanted emotions
I don't have to burn longer
Turn around and even the endlessly
In the end, again about being in the same place

Fell over hundred times and picked up myself
I need your hand
I tried to stretch but I can't reached
I should be mad to go live
While no place that I can put my mind

L o v e l e s s
Useless Emotion
Even words of comfort, No thanks
Kill the unnecessary emotions
My heart is already broken by Insignificant glass
Let's break mess together
Everybody shake! Let's rocking this night

Everybody stand up
None without exception
Hotter than summer time
Heat up!
Everybody stand up
We all together
None without exception

Yey
Not necessary all!
I don't expect
to have any hope
Woo Yey

Pour more!
I don't care
even if my stomach is worn been ripped off

Yey
Fly away lightly
Yey
Today, put everything
Yey
Pour more!
Yey
Hotter than summer time

I'm sick and tired of wet of sadness
Don't I in the mirror crying
While put everything down
I live with hard breathing

The cost of belief, always betrayal
But now it's not surprisingly
It was stupid of me to be cheated
Love, people all same
Eventually I made the conclusion,
I'm alone
From the beginning to the end

Everybody stand up
None without exception
Hotter than summer time
Heat up!
Everybody stand up
We all together
None without exception

Yey
Not necessary all!
I don't expect
to have any hope
Woo Yey
Pour more!
I don't care
even if my stomach is worn been ripped off

Yey
Fly away lightly
Yey
Today, put everything
Yey
Pour more!
Yey
Hotter than summer time

Yeah, it seems like for forgetting you
Everything is just an excuse only
Waited you who will not come back
Everything turned to hate

Yey
Not necessary all!
I don't expect
to have any hope
Woo Yey
Pour more!

I don't care
even if my stomach is worn been ripped off

Yey
Fly away lightly
