

## Cool Kids

### Highly Suspect

Some people seem to have it all  
And use the rules to their advantage  
The rest of us learn how to fall  
And I don't take this shit for granted

So fuck the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
I could never measure up to the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)

Everywhere I go  
Feels like a landmine waiting to explode  
So maybe you can take my hands off of my arms  
And my arms off of my body  
'Cause I don't really feel like myself  
And I don't wanna hurt anybody

But fuck the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
You can never measure up to the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
Hey, hey  
Fuck the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
I never felt no love from a cool kid  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)

You don't have to feel bad about yourself for not looking like a filter  
Literally nobody looks like a fucking filter  
And it's okay to struggle a little, everyone struggles  
Even if they make it seem like they don't  
And the hard times are what makes you stronger in the long run  
And you should never have to feel embarrassed about anything that makes you different or unique  
'Cause everyone's gotta play the hand they've been dealt  
And even if your hand sucks, I bet you could still call someone's bluff  
And win the game 'cause nobody's fuckin' perfect

But fuck the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
Yeah, I can never measure up to the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
Yeah, fuck the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
Ooh  
Never felt no love from the cool kids  
(Fuck the cool kids, fuck the cool kids, fuck the cool kids)  
So fuck the cool kids, ayy
