

Devil's Army

Highly Suspect

Summoning of the devil's army
We can't be sure
Something we've never seen before
Oh, this I know

They won't waste time with you
They won't be able to
They won't waste time with you
They won't be able to

Calling on the heavens, amen
We're never sure
Something we've all seen before
Oh, we don't know, oh, oh...

They won't waste time with you
They won't be able to
They won't waste time with you
They won't be able to

Oh, they won't be able to
No, they won't be able to
