

## Setting Me Up

Highway 101

You say I'm the greatest, bound for glory  
Well the word is out and I've learned  
I got the latest side of the story  
I'm pulling out before I get burned

Well your hands are squeezing me down to the bone  
I can't let you do that no more  
And it stands to reason I've got to leave you alone  
Just what are you taking me for

You're settin' me up to put me down  
You're making me out to be your clown  
You're settin' me up to put me down  
You better give it up (give it up)  
Give it up, quit your messing around

You think I care about your reaction  
You think I don't understand  
All you wanted was a piece of the action  
Well I don't need that kind of man

You're settin' me up to put me down  
You're making me out to be your clown  
You're settin' me up to put me down, down, down  
You better give it up (give it up)  
Give it up, quit your messing around

You're settin' me up to put me down  
You're making me out to be your clown  
You're settin' me up to put me down  
You better give it up (give it up)  
Give it up, quit your messing around
