

Somewhere Between Gone And Goodbye

Highway 101

How many nights must I lay me down and wonder
Will I wake up tomorrow without you by my side?
I'm feeling worn and thin as the sheets that I lay under
Lyin' somewhere between gone and goodbye

Late night headlights
Out in the driveway
Driving me crazy again
No need to sneak in
I wasn't really sleeping
No need to tell me, I know where you've been

How many nights must I lay me down and wonder
Will I wake up tomorrow without you by my side?
I'm feeling worn and thin as the sheets that I lay under
Lyin' somewhere between gone and goodbye

I get this feeling
Soon I'll be leaving
Before I'm losing my mind
If you don't need me
At least have the decency to tell me if I'm wasting my time

How many nights must I lay me down and wonder
Will I wake up tomorrow without you by my side?
I'm feeling worn and thin as the sheets that I lay under
Lyin' somewhere between gone and goodbye

How many nights must I lay me down and wonder
Will I wake up tomorrow without you by my side?
I'm feeling worn and thin as the sheets that I lay under
Lyin' somewhere between gone and goodbye
