

Eye of the Storm

Highwaymen

As time goes by
Nothing has changed
I wont stand and watch
You wither away
After all this time
I stand by you
Through all of the years
I've been with you
Through pain and affliction
With every addiction
I will never let you down
I will live by this code
Never surrender
You and I are one
Through the eye
Of the storm
You are never alone
Even through, the shadows
You are never alone
After all this time
Still you struggle
Even words of love
Ring so hollow
I have no regrets
I have no remorse
And if you falter
I wont let you down
Through the eye
Of the storm
you are never alone
Even through, the shadows
You are never alone
Come on
Together we stand
Never fall
No matter the trial
We will overcome
Together we stand
Never fall
No matter the Trial
We will overcome
Through the eye
Of the storm
You are never alone
Even through, the shadows
You are never alone
Never
Together we stand
Never fall
No matter the trial
We will overcome
We will overcome
