

## Silver Stallion

## Highwaymen

I'm gonna steal a silver stallion,  
With not a mark upon his silky hide  
Teach him he can trust me like a brother,  
One day we'll saddle up and ride

And we're gonna ride, we're gonna ride  
Ride like the one eyed jack of diamonds  
With the devil close behind  
We're gonna ride

I'm gonna find me a reckless woman,  
Razor blades and dice in her eyes  
Just a touch of sadness in her fingers,  
Thunder and lightening in her thighs

And we're gonna ride, we're gonna ride  
Ride like the one eyed jack of diamonds  
With the devil close behind  
We're gonna ride

I'm gonna chase the sky forever,  
With the woman and the stallion and the wind  
The sun is gonna burn into a cinder,  
Before we ever pass this way again

And we're gonna ride, we're gonna ride  
Ride like the one eyed jack of diamonds  
With the devil close behind  
We're gonna ride
