Silver Stallion

Highwaymen

I'm gonna steal a silver stallion, With not a mark upon his silky hide Teach him he can trust me like a brother, One day we'll saddle up and ride

And we're gonna ride, we're gonna ride Ride like the one eyed jack of diamonds With the devil close behind We're gonna ride

I'm gonna find me a reckless woman, Razor blades and dice in her eyes Just a touch of sadness in her fingers, Thunder and lightening in her thighs

And we're gonna ride, we're gonna ride Ride like the one eyed jack of diamonds With the devil close behind We're gonna ride

I'm gonna chase the sky forever, With the woman and the stallion and the wind The sun is gonna burn into a cinder, Before we ever pass this way again

And we're gonna ride, we're gonna ride Ride like the one eyed jack of diamonds With the devil close behind We're gonna ride
