

# Because Of Your Love

Hillsong Live

Because of Your love  
Everything's changed  
Because of Your love  
I'll never be the same

Your love is perfect  
And I'll never be afraid  
Because of Your love  
Everything's changed

Because of Your grace  
Everything's changed  
Because of Your grace  
I'll never be the same

Your favour undeserved  
The precious gift You gave  
Because of Your grace  
Everything's changed

I have this confidence  
That God is on my side  
All of my days are in Your hands  
Love so amazing  
That it cannot be denied  
That every day I'm in Your plan
