

Chosen As Mine

Hillsong Live

Here I am so close to you
Know my voice, I'll never leave you
For I have loved you since before the sands of time were made
I love you still and always will
You're chosen as Mine

My Father wants to bless you now
Receive from Him all that you'll ever need
Come spend eternity with Me. My heart's full of love for you
I love you still and always will
You're chosen as Mine

Cries in the desert, My child, I hear them
Tears in the valley, My lovely, I count them
You're so precious; you were on My mind as I died

I love you still, always will
Chosen as Mine
