

With a little love  
With a little hope  
With a little light to light the way  
Faith  
The mountains will be moved

With a lot of heart  
With a lot of soul  
Mind and strength my trust my all  
Faith  
The mountains will be moved

With the faith to see me through  
Every mountain will be moved

Faith  
The mountains will be moved  
Faith  
The mountains will be moved  
Faith  
The mountains will be moved
