

Friends In High Places

Hillsong Live

Come on, we've got friends in high places

I was in need and I needed a friend
I was alone and I needed a hand
I was going down but someone rescued me

My God cares too much to say
His mercies are new everyday
I get down to pray and then help is on its way

I walk by faith and not by sight
If things go wrong, it'll be alright
'Cause someone greater is watching over me

My God cares too much to say
His mercies are new everyday
I get down to pray and then help is on its way

Now in faith, I believe
I got everything I need
I walk by faith and not by what I see

I got friends in high places
I've got someone I can call
And I got someone watching over me

I walk by faith and not by sight
If things go wrong, it'll be alright
Someone greater is watching over me

My God cares too much to say
His mercies are new everyday
I get down to pray and then help is on its way

My God cares too much to say
His mercies are new everyday
I get down to pray and then help is on its way
