

Hear Our Prayer

Hillsong Live

Hear our prayer, Spirit, come
How I long for Your sweet touch
On my knees I cry out
Jesus, Savior behold Your child

Like a deer longing for water
My soul yearns
Only You can fill my deep hunger
My heart burns, my heart burns

Hear our prayer, Spirit, come
How I long for Your sweet touch
On my knees I cry out
Jesus, Savior behold Your child

Like a deer longing for water
My soul yearns
Only You can fill my deep hunger
My heart burns, my heart burns

Like a deer longing for water
My soul yearns
Only You can fill my deep hunger
My heart burns, my heart burns

Oceans deep, mountains high
Oh my God, I cannot live without Your love
I cannot live without Your love

Like a deer longing for water
My soul yearns
Only you can fill my deep hunger
My heart burns, my heart burns

Like a deer longing for water
My soul yearns
Only you can fill my deep hunger
My heart burns, my heart burns

My heart burns, my heart burns
My heart burns, my soul yearns for You
My heart burns, my heart burns
Oh it's for You, my heart burns
