

Longin' For Your Touch

Hillsong Live

Longing for Your touch
Lord I come to You
Lord I'm reaching for Your love again

Longing for Your touch
I can feel Your love
Lord I'm reaching out to You

If I need a friend
On whom I can depend
Then Jesus
You will be there for me

If I have a need
Then all I have to see
Is Jesus
You're always there for me
