

## Refuge

Hillsong Live

I will lift my eyes to the heavens  
Where my help comes from  
I run into Your courts  
To be near You, Lord  
I long to hear Your voice  
All that I desire is You alone

I will sing to You  
In the shelter of Your wings  
Surrounded by Your favor, Oh Lord  
I will sing  
You're my refuge  
I will sing  
You're my refuge

Forever I will lift Your name on high  
For You are worthy
