

Run

Hillsong Live

You were God from the outset,
Powerful and creative
You had sought us here before
You called all the stars and the earth to existence

You are God, You are Holy
History's Your story
You who was and is and forever will be, God we live for Your glory

So we will run altogether with hearts aflame
Like a fire that can't be tamed
Our God all glory to Your name, Jesus

You are God You are freedom,
You're alive now within us
You who sought us here before
You conquered the grave
You're living on Your promise

So we will run altogether our hearts aflame
With a fire that can't be tamed
Our God all glory to Your name
We will run Our surrender to bring You fame
Our desire that You be praised
Our God all glory to Your name, Jesus!
