

# The Freedom We Know

Hillsong Live

We're gonna dance dance dance  
In the freedom we know  
We're gonna dance dance  
In the freedom we know  
We're gonna dance dance dance  
In the freedom we know  
Because the freedom we know is gonna last forever

The world turns in all of its ways  
But I'm soul set on a holy name  
And when all earth is said and done  
Still I will praise Him

There's no end to the love that He gives  
And now broken dreams have life again  
In the hope of the risen king  
Let us praise Him

A Mystery unthinkable  
But He took the fall just to save my soul  
Now the love is the life I know  
And on and on and on  
We'll be singing'

Soul set free in the one I love  
Come on come on  
And let the whole earth sing in the freedom we know  
Come on come on and praise Him

Come, come all the lost and the found  
Let us rise up with a holy sound  
All the earth unified as one  
Just to praise Him

In full view with nothing to hide  
Like a city on a hill we're gonna shine  
In the light of the freedom  
Let us praise Him

We're gonna dance dance dance  
In the freedom we know  
We're gonna dance dance  
In the freedom we know  
We're gonna dance dance dance  
In the freedom we know  
Because the freedom we know is gonna last forever
