

You Are The One

Hillsong Live

You are the One
The goal of my dreams
The end of my searchings
For answers unseen
You are the One
Who sets my heart on fire
Who lifts up the lonely
And brings death to life

You are the One
You are the prize
You are the answer
The end of all desire
You are the One
The word come to life
The love of the Father
Revealed in the Son
You are the One
My God You are the One

You are the One
Who calms the stormy seas
Who walks on the waters
Of my troubles and fears
You are the One
We find in the fire
The flame of refining
The fire of love

You are the One
The author of life
Creation's Redeemer
The image of love
You are the One
Freedom proclaimed
Life everlasting
In Christ has been gained
