

Closer Than You Know

Hillsong United

I tempered the storm
Though your faith was small
I prayed while you slept
And the night waged war
We stood in the fire
And we walked on sea
And we drank of the wine
That was made of Me

Don't turn your eyes from Me
For My love won't be undone
Don't hide your face from Me
For My light has surely come
Surely come surely come

I carried that cross
And I felt your pain
I took up your crown
And I wore your shame
And death was a fire
And its teeth were grim
But I left it behind
Along with all your sin

Don't turn away from Me
For My love won't be undone
Don't hide your face from Me
For My light has surely come
Surely Come surely come

Lift up your eyes and see
Heaven is closer than you know
Lift up your voice and sing
Know that My love won't let you go
And I won't forsake you

Lift up your eyes and see
Heaven is closer than you know
Know I'll never leave you
So lift up your voice and sing
Know that My love won't let you go

And My light has surely come
Surely come surely come
And I'm closer than you know
And I'm closer than you know

Lord I hear You I know You're there
Closer now than my skin and bones could dare
Breathing deep within me
You are always with me

I can see You where eyes can't stare
Brighter now than the sun could ever dare
Breathing all around me
God I know You're with me here

Lord I hear You I know You're there
Closer now than my skin and bones could dare
Breathing deep within me
You are always with me

I can see You where eyes can't stare
Brighter now than the sun could ever dare
Breathing all around me
God I know that You are here

For I'm Yours and You are mine
And my soul knows well
You are here

You are here
And my soul will praise You
And my soul will praise Your Name
Singing Holy is Your Name
