

The skies lay low where You are
On the earth You rest Your feet
Yet the hands that cradle the stars
Are the hands that bled for me

In a moment of glorious surrender
You were broken for all the world to see
Lifted out of the ashes
I am found in the aftermath

Freedom found in Your scars
In Your grace my life redeemed
For You chose to take the sinner's crown
As You placed Your crown on me

And in that moment of glorious surrender
Was the moment You broke the chains in me
Lifted out of the ashes
I am found in the aftermath

And in that moment You opened up the heavens
To the broken, the beggar and the thief
Lifted out of the wreckage
I found hope in the aftermath

And I know that You're with me
Yes, I know that You're with me here
And I know Your love will light the way
And I know that You're with me
Yes, I know that You're with me here
And I know Your love will light the way

Now all I have I count it all as loss
But to know You, to carry the cross
Knowing I'm found
In the light of the aftermath
