## **Desperate People**

## **Hillsong United**

You cross the great divide, You took our place You offered up Your life, for we have failed The veil was torn and love remained You are holy Lord

Distraction costs us, how we seek Your face We offer up our lives to bring You praise A love the walls cannot contain You are holy Lord

We're rising up in spirit and in truth A living sacrifice we worship You People undivided Lord hear us sing We are Yours and You are our King

This is our love
Hearts joined as one
Desperate for all You are
Lord break down these walls
And see how we love
Desperate for all You are
We chase Your heart

We didn't come to leave here entertained Or worship under any other name We're crying out for You alone You are holy Lord

We're rising up in spirit and in truth A living sacrifice we worship You People undivided Lord hear us sing We are Yours and You are our king

This is our love
Hearts joined as one
Desperate for all You are
Lord break down these walls
And see how we love
Desperate for all You are
We chase Your heart

Show us the way to Your heart

We found our voice We found our cause We're on our knees, the carpet's worn We join our hearts With distant shores sing to You Lord

This is our love
Hearts joined as one
Desperate for all You are
Lord break down these walls
And see how we love
Desperate for all You are
This is our love
Hearts joined as one

Desperate for all You are Lord break down these walls And see how we love Desperate for all You are We chase your heart We chase your heart
