

## For All Who Are to Come

Hillsong United

Since we are surrounded  
By such a great cloud of witnesses  
Let us run  
Let us run with perseverance  
The race marked out  
Let us make a way  
For those who are to come  
Those who are to come

Every generation  
Every nation  
Every tribe  
Every tongue  
They will sing  
They will pray  
That the world would sing...
