

One generation  
Living salvation  
Here we go  
Seeing revival  
We will defy all that holds us back from you  
So we will rise together  
With one voice to say

Jesus is our Savior  
There will be no other  
We will shout it out  
We want the world to know

One generation  
Living salvation  
Living for you  
Seeing revival  
We will defy all that holds us back from you  
So we rise together  
With one voice to say

Jesus is our Savior  
There will be no other  
We will shout it out  
We want the world to know

This is the generation  
We live devoted to your name  
This is the revolution  
We will not leave this world the same

Cause we want the world to know  
We want the world to know  
We live our lives for you  
In all we say and do
