Say the Word

Hillsong United

Say the word and there is light Say the word and dead bones rise Every start and end hangs on your voice For your word never return void

Written in a billion skies

Speaking to this heart of mine

All that I am with all creation

Hanging on every word that you've spoken

And it will not be shaken

Clinging for life to all your promise

Hanging on every word that you say

Word made flash you wrote in grace Promise kept through cross and grave Over words of stone you spelled out love And when you say it is done, it is done

Written in a billion skies

Speaking to this heart of mine

All that I am with all creation

Hanging on every word that you've spoken

And it will not be shaken

Clinging for life to all your promise

Hanging on every word that you say

Written in a billion skies

Speaking to this heart of mine

All that I am with all creation

Hanging on every word that you've spoken

And it will not be shaken

Clinging for life to all your promise

Hanging on every word that you say

It will remain
And my soul will hang on every word you say
Cause I know your word will never ever fail
And my soul will hang on every word you say
