Take Heart

Hillsong United

There is a light It burns brighter than the sun He steals the night And casts no shadow There is hope Should oceans rise and mountains fall He never fails So take heart Let His love lead us through the night Hold on to hope And take courage again In death by love The fallen world was overcome He wears the scars of our freedom In His Name All our fears are swept away He never fails All our troubles And all our tears God our hope He has overcome All our failure And all our fear God our love He has overcome All our heartache And all our pain God our healer He has overcome All our burdens And all our shame God our freedom He has overcome All our troubles And all our tears God our hope He has overcome All our failures And all our fear God our love He has overcome God our justice God our grace God our freedom He has overcome God our refuge God our strength God is with us

He has overcome
