

## For Those Who Are To Come

Hillsong Worship

Since we are surrounded  
By such a great cloud of witnesses  
Let us run let us run  
With perseverance  
The race marked out  
Let us make a way

For those who are to come  
Those who are to come  
Every generation every nation  
Every tribe every tongue  
They will sing they will cry  
Oh with one voice  
They will sing

Hosanna  
Hosanna  
Hosanna  
Hosanna  
Hosanna  
Hosanna
