

From Your sacrifice for the sake of all
Redemption's birth and relentless hope
As the weight of grace crushed the face of love
And You bled and died for Your enemies

To woo us back from death and woe
A valentine to a faithless world
Every wayward heart, You pursue us all
And in kindness call us home

This world is Yours
My God, this world is Yours
All You made to be Yours
I know You love us all

Your agape love displaces fear
And the plan is working, heaven's near
For the kingdom comes to the heart that whispers
Have mercy God on me

This world is Yours
My God, this world is Yours
All You made to be Yours
I know You love us all
All this world is Yours
My God, this world is Yours
All You made to be Yours
I know You love us all

You reign forever, You reign forevermore
My heart surrendered, You reign forevermore
You reign forever, You reign forevermore
My heart surrendered, You reign forevermore
You reign forever, You reign forevermore
My heart surrendered, You reign forevermore

This world is Yours
My God, this world is Yours
All You made to be Yours
I know You love us all
All this world is Yours
My God, this world is Yours
All You made to be Yours
I know You love us all
