

Gracious Tempest

Hillsong Young & Free

Your love towers over me
Gracious tempest in the sea
Your love is like a storm

Let this tide of mercy rain
Let it flood my heart again
Surround me like an ocean

Your love is crashing over me
Surging like a raging sea
Immerse me in the wonder of Your love

A downpour of unending grace
Consuming all my reckless ways
My sins submerged
Your love has saved my soul
Your love is like a storm

Your love is crashing over me
It's surging like a raging sea
Immerse me in the wonder of Your love

A downpour of unending grace
Consuming all my reckless ways
My sins submerged
Your love has saved my soul
Your love is like a storm
Your love is like a storm
Your love is like a storm
Your love is like a storm
