

## Highs & Lows

Hillsong Young & Free

When it feels like the dark  
Lingers longer than the night  
When the shadows feel like giants  
Are You chasing me down  
Tell me where could I run  
From Your light where could I hide  
Hemmed within Your precious thoughts  
There's no hiding from Your love

Highs and lows  
Lord You're with me either way it goes  
Should I rise or should I fall  
Even so  
Lord Your mercy is an even flow  
You're too good to let me go

Should I dance on the heights  
Or make my bed among the depths  
Your mercy waits at every end  
Like You planned it from the start  
Should the dawn come with wings  
Or find me far-side of the sea  
There Your hand still fastens me  
Ever closer to Your heart

Highs and lows  
Lord You're with me either way it goes  
Should I rise or should I fall  
Even so  
Lord Your mercy is an even flow  
Should I rise or should I fall  
You are faithful through it all  
You're too good to let me go

Highs and lows  
You surround me either way it goes  
Should I rise or should I fall  
Lord You're with me through it all

Highs and lows  
In the rhythms of Your grace I know  
Should I rise or should I fall  
You are faithful through it all  
And You're too good to let me go
