

## Push/Pull

Hillsong Young & Free

You will not relent my God  
Right beside me You have always been  
When in pride I've pushed away  
It's Your mercy that has pulled me in

You won't walk away  
Won't give me up  
I know Your grace has forgiven much  
You call me Yours  
How can it be  
In awe again  
Here remembering  
You won't give me up

I will not refuse You God  
Right beside You is where I wanna be  
Trust You with my heart and soul  
Trusting You with everything

You won't walk away  
Won't give me up  
I know Your grace has forgiven much  
You call me Yours  
How can it be  
In awe again  
Here remembering  
You won't give me up  
You won't give me up

How vast is the grace  
You gave I'm free and forgiven  
Your love is the safest place  
The peace I will live in  
Now I have eternity  
And I'll sing of Your truth

And a hope that will never fail  
A love that is so true  
Oh grace upon grace again  
Forever found in You  
For my Jesus You'll never fail  
My Jesus I'm holding onto You  
You  
You  
You
