I've always tried to do
The right thing in my life
Take care of my house, my picket fence
My children and my wife
On my way home
On my way home
I'm on my way home
Clark Griswold, here I go

## Cheah

You could walk a mile in my shoes, but could not Mope around for a day in my socks, wakin' up Coughin' up a whole range of crap Coffee mug, 'World's Greatest Dad' Livin' life in a bathrobe or some cargos On borrowed time, worry lines like a barcode Wearin' my Chicago Bears cap, feelin' like Clark My family fillin' my heart, I try to do right (Oh) Try to do good I try to do the best I can, man, all of my life (Oh) I've done all I could To try and be a better man, but I've realised Hey, I gotta be clever now (Hey) I gotta go get it now I took a look at the way that I'm livin' Mistakes are better never made than forgiven, right?

Whoa, whoa, whoa, whoa, oh

I've always tried to do
The right thing in my life
Take care of my house, my picket fence
My children and my wife
On my way home
On my way home
I'm on my way home
Clark Griswold, here I go

Yeah, they say a real man's a family man Pays the bills, has a travel plan, a caravan That way it feels like everywhere that I am Trouble follows till I unravel and crash the van Always managin' in damage control Count my blessings like casualties and add up the toll And matters resolve, I plan on gettin' back to my goals But this life a getaway, so grab on and hold When I'm away (Oh) this world leads me astray Everything starts breakin' apart, so I'm spendin' my days (Oh) Tryna carve out a place That'll fill that empty space in my heart To say that I'm a beautiful mess, I'd say the truth is a stretch I confess I'm only human, but I'm doin' my best Uncertain if all the hurtin' is worth it Yeah, I know I couldn't be further from perfect

Whoa, whoa, whoa, oh

I've always tried to do
The right thing in my life
Take care of my house, my picket fence
My children and my wife
On my way home

Life can be so beautiful
But sometimes I feel
I make a mess of things
Life can be so beautiful
But sometimes I fear
I make a mess of everything
Life can be so beautiful (Oh-ahh)
But sometimes I feel
I make a mess of things
Life can be so beautiful (Yeah, yeah)
But sometimes I fear
I make a mess of everything

Woo Oh! Uh, I'm on my way home Clark Griswold, here I go
