Hilltop Hoods

I feel like I'm walking a thin line  
Balancing thoughts on a zip-tie  
I'd let them fly if the quiet would finally silence the voice that is inside  
Weighing my words before that I've spoken  
Day of my birth, caught in the motions  
Why do I only feel norm in the eye of the storm by the roar of the ocean  
Over and over again  
Though we both know where this ends  
It's sobering knowing that coping alone with this stress  
All falls over the edge  
Have mercy am I blasphemous? So  
Burn me with fire or cannabis smoke  
I've worked all my life with hands on my throat  
Searching for highs to balance the lows

I've been spending my days with reckless abandon  
Searching for balance  
I'm drifting away with no counter weight  
Whoa-oh-oh, oh-oh, whoa-oh-oh, oh-oh  
I've tried changing my ways, I'm stuck in here stranded  
Searching for balance  
I'm drifting away with no counter weight  
No I've got no counter weight

If it's all in front of me  
Why's it awaken the kind of sensation of falling suddenly  
Like every step could be pulled from under me  
And so it don't all catch up to me  
I move at the speed of light  
Losing my peace of mind  
Pursuing my demons, lucid or dreaming?  
Can't keep doing this, truth is a need a vice  
I'm all out of love now  
If abandoned my sanity's struck down  
Started actually giving a fuck 'bout  
Who's catching me when I come down  
I pray that you follow  
So I'm paving away to escape from this lotto  
It's beautiful today, heart breaking tomorrow, oh-oh

I've been spending my days with reckless abandon  
Searching for balance  
I'm drifting away with no counter weight  
Whoa-oh-oh, oh-oh, whoa-oh-oh, oh-oh  
I've tried changing my ways, I'm stuck in here stranded  
Searching for balance  
I'm drifting away with no counter weight  
No, I've got no counter weight

Don't wanna be here forever  
Take me from this place  
Don't wanna live forever  
Just wanna live today  
Don't wanna be here forever  
Take me from this place  
Don't wanna live forever  
Just wanna live today

I've been spending my days with reckless abandon  
Searching for balance  
I'm drifting away with no counter weight  
Whoa-oh-oh, oh-oh, whoa-oh-oh, oh-oh  
I've tried changing my ways, I'm stuck in here stranded  
Searching for balance  
I'm drifting away with no counter weight  
No, I've got no counter weight
