The Sacrament

AmiCI hear you breathe so far from hereAmiCI feel your touch so close and real

DEmiCGAnd I know my church is not of silver and goldDEmiCGIts glory lies beyond judgment of soulsDEmiCGThe commandments are of consolation and warmth

С Ami Emi You know our sacred dream won't fail Ami С Emi The sanctuary tender and so frail С Ami The sacrament of love Emi С D The sacrament of warmth is true Ami Emi The sacrament is you

I hear you weep so far from here I taste your tears like you're next to me

And I know my weak prayers are not enough to heal The ancient wounds so deep and so dear The revelation is of hatred and fear HIM
