

## Under The Rose

HIM

I dream of the winter in my heart turning to spring  
While the ice gives way under my feet  
And so I drown with the sun

I've been burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

I open my eyes with a sigh of relief  
As the warmth of summer's sunlight dances around me  
And I see you with dead leaves in your hands

I've been burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

I've been burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

I've been burning in water and drowning in flame  
To prove you wrong and scare you away  
I admit my defeat and want back home  
In your heart under the rose

In your heart under the rose  
In your heart under the rose  
In your heart under the rose
