1. You can't escape the wrath of my heart
    С
  Beating to your funeral song
  (you're so alone)

  All faith is lost for hell regained
  In the dust in the hands of shame
  (Just be brave)

  I lead you along this path in the dark
  Where I belong until I feel your warmth
               С
R: Hold me like you held on to life
    C G D
  When all fears came alive and entombed me

  Love me like you love the sun

  Scorching the blood in my vampire heart
2. I'll be the thorns on every rose
  You've been sent by hope
  (You'll grow cold)
  I am the nightmare waking you up
  From the dream of a dream of love
  (Just like before)
X: Let me weep you this poem as Heaven's gate's close
  Paint you my soul, scared and alone
  Waiting for your kiss to take me back home
R: Hold me like... (2x)
  Emi
*: Hold me
