

Cheap Thrills

HIMALAYAS

She said oh whatever you, honey
How they spend taxpayers' money
Are you (money?) or (happy/heavy) in love
What leaves you wanting, what leaves you wanting more

You say you love me
This way we are
When cheap thrills leave you bangin' on the floor
You text numbers, you (leave with a smile)
Shut your dirty mouth, you kinky fuckin' hoe

You were a cheat, treatin' me
Yeah you liked, do what you got, cause you ain't kerosene
Yeah you liked it when your lies are on brand
A bullet through your head, let me see what you think

You say you love me
This way we are
When cheap thrills leave you bangin' on the floor
You text numbers, you (leave a smile)
Shut your dirty mouth, you kinky fuckin' hoe

You say you love me (You say you love me)
This way we are (This way we are)
When cheap thrills leave you bangin' on the floor
You text numbers, you (leave a smile)
Shut your dirty mouth, you kinky fuckin' hoe

You say you love me (You say you love me)
This way we are (This way we are)
When cheap thrills leave you banging on the floor
You text numbers, you (leave a smile)
Shut your dirty mouth, you kinky fucking hoe
